

RADIO PRESS RELEASE No. 0060 /C/PAK/DG/2025

The General Manager of the Port Authority of Kribi hereby informs the general public:

Unidentified people have published a fake job offer online attributed to the Port Authority of Kribi and they have illegally used the picture and identity of **Mr Charité De BESSOMBE BETJOL HIOL**, Chairman of the Board of Directors, as well as the logo and symbols of the Port Authority of Kribi.

In the wake of this unsubstantiated information, which clearly stems from a scam and swindle, the General Manager informs the public opinion that this job offer does not originate from the Chairman of the Board of Directors of PAK.

Consequently, he calls for everyone's vigilance, while waiting for the conclusion of ongoing investigations that will uncover the identity of those fraudsters and bring them before the competent authorities.

Kribi, the **25 AOUT 2025**

THE GENERAL MANAGER
